

NOTIFICATION

PBBC In its meeting dated 03-06-2026 Vide Item No: 04 discussed / decided to Pilot the project of On Screen Marking (OSM) for computer science (HSSC PART-1) examination as under:-

"The Committee thoroughly deliberated upon the whole matter as elaborated by the Controller of Examination, BISE Lahore/PBCC. The Committee observed in the light of the statements of the representatives of Pakistan Post Foundation that G2G agreement isn't applicable in its actual spirit. Hence, each BISE must abide by the PPRA rules for necessary procurement in implementation of On-Screen Marking. The Committee further observed that Emergency clause under PPRA rules shouldn't be invoked in this assignment due to the absence of any substantial justification as any impulsive decision would arise Audit complications and can compromise the bonafide spirit of this assignment. Thus each BISE must ensure the fulfillment of due Codal formalities for the procurement. The Committee unanimously decided the On-Screen Marking may be piloted from 2nd Annual Examination, 2026. Each BISE is authorized either to opt any firm/subsidiary body/authority or develop in-house capacity, for implementation of On-Screen Marking, at their respective level subject to the strict fulfillment of Codal formalities under PPRA Rules."

The chairman BISE Sargodha has been pleased to adopt the PBCC decision dated 03-06-2026, in anticipation approval of the Board, to piloted On Screen Marking (OSM) from HSSC 2nd Annual Examination 2026.
